The Ellington

Center City

[Condominium Unit]

The Ellington is a 21-story luxury condominium tower overlooking the breathtaking Philadelphia skyline. Originally a 1920's-era office building, The Ellington has been dramatically transformed into 160 spacious one and two bedroom homes and eleven bi-level penthouses.

The elegant lobby welcomes with its dramatic vaulted ceilings and marble flooring. All of the homes at The Ellington boast 10-foot ceilings, Brazilian cherry floors, and new over-sized windows. Upscale amenities include 24-hour concierge services, a state-of-the-art fitness center and clubroom equipped with a library and plasma screen television. All homes are digital cable and high-speed Internet-ready and have a 10-year tax abatement.

The unique penthouse homes feature spacious layouts of 1,200 to 2,500 square feet, many with sweeping city views. The gourmet kitchens feature rich cherry cabinetry, stainless-steel appliances and black granite counter tops. Lavish master bathrooms offer spa-quality amenities, such as Carrera marble tiling, luxury double vanity sinks and over-sized dual-shower systems for two.
